I am discovering a new way to enjoy the San Diego Comic-Con, nearly fifty years after I first shared a table with friends. I’ve written previously that I stopped exhibiting in 2018, after 48 consecutive years. And I didn’t even attend the show. It wasn’t until I first shared a table with friends. I’ve written previously that I stopped exhibiting (we promoted last week). Much later I was ready to leave but spotted Charles Yoe, Scott Shaw, Richard and Wendy Pini, and Mark Wheatley (whose two new books we promoted last week). Much later I was ready to leave but spotted Charles Vess, who hasn’t been to this show in ten years. He used to set up a entire fantasy tree here, in his art style, and you could climb up inside it! ** BRAVO for Adventure**
Highly Recommended. Alex Toth’s magnus opus contains all three of The Genius’s stories starring Jesse Bravo, knock-about pilot and reluctant film noir. Included is the original graphic novel. After more than 40 years, Bravo remains a rollicking 1930s high-adventure, in the trappings of film noir. Toth stripped out extraneous lines and detail, cementing his reputation as the medium’s most sophisticated storyteller. IDW, 2019.

**Shazam! the World’s Mightiest Mortal Vol 1**
Collects #1-18, 1973-74. In 1973, 20 years after the last Fawcett issue, DC brought back one of comics’ most popular heroes: Captain Marvel, also known as Shazam! whose Golden Age adventures sold in the millions of copies. These new adventures combined the light-hearted art of C.C. Beck, for #1-10, the original artist from the 1940s, with the modern, tongue-in-cheek sensibility of writer/artist Michael Uslan. With artwork by Phil Davis, RayASH, Ethan Van Sciver, and John Timms. Now, in 2019, the original art of the 1940s from C.C. Beck is collected in this handsome new edition. Highly Recommended. AN AFFAIR WITH BEAUTY The Mystique of Howard Chandler Christy Romantic Illusions
Recommended. By James Philip Head. Foreword by Everett Raymond Kinstler. Howard Chandler Christy was the most famous American painter of the Jazz Age, a time when an elite brotherhood of New York artists dominated the publishing world. Christy had eclipsed all of them with his “Christy Girl,” an idealized woman who defied vanity and influenced fashion. Christy tells of his early years studying art in near-poverty in New York City and his sudden ascent to stardom. Northloph, 2019.
